# Supporting Our Partners

The screenshot shows a web browser window displaying the "James Madison University Environmental Stewardship Tour" page. The page features a purple header with the university name and the tour title. Below the header is a map of the campus with numbered markers indicating various sites. A carousel of images shows different campus locations, each with a number and a brief description of the site's environmental features. The browser's address bar shows the URL "gta.jmu.edu/m-storymaps/environmental-stewardship-tour/#". The Windows taskbar at the bottom indicates the date and time as 9:25 PM on 10/14/2015.

Environmental Stewardship Tour

Welcome to James Madison University's Environmental Stewardship Tour, which highlights some of the sites on campus where facilities, environmental stewardship, and learning are interconnected. Select any of the numbered sites from the map or from the photo carousel to learn about select environmental and environmental features of our facilities. [View](#)
